Paper No. 5

Application Number: 09/852,872

Filing Date: 05/10/01

DETAILED ACTION

Reissue Applications

Applicant is reminded that this reissue application was filed without the required offer to surrender the original patent or, if the original is lost or inaccessible, an affidavit or declaration to that effect. The original patent, or an affidavit or declaration as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 C.F.R. 1.178.

Oath and Declaration

The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 C.F.R. 1.175(a)(1) and MPEP § 1414.

Applicant needs to "specifically" state at least one error, not generally state that they (the patentees) have claimed less than they had a right to claim. Though it is applicant's contention that such terminology is adequate under the rules governing reissue applications, this is incorrect.

Art Unit: 2882

All applicant is required to do is state, for at least one claim, what language has been added or removed to either broaden or narrow the scope.

Claims 1-14 and 20-22 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 C.F.R. 1.175.

Allowable Subject Matter

Claims 1-14 and 20-22 are allowed for the reasons set forth in the office action dated 19 October 2001.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
